Comfortable and Safe Networking

Meaningful engagement doesn't have to be complicated. Networking and connecting with peers face-to-face is a key objective of attending in-person events. Delivering environments which facilitate both ad-hoc and in-depth networking is important in accommodating attendee needs and will allow attendees to connect with peers effectively, comfortably, and safely.

To help you feel confident as you begin to plan your in-person and hybrid events, we have developed Freeman SafeConnect. This program includes standards, protocols, and service offerings that reflect our values and commitment to safety and wellbeing — for our people, our customers, and our attendees.
